Introduction

- The Maharishi Markandeshwar University Trust (MMUT) is the brain child of Shri Tarsem Kumar Garg - a great visionary and social entrepreneur.
- The Trust has grown in a short span of 18 years into a group of institutions imparting high quality education targeted at generating employment, creating entrepreneurs and training students, researchers & working professionals.
- The institutions under the trust have been rated by global, Asian & Indian agencies as the best in their domains.
- The professional, medical & technical institutions under the aegis of the MMUT collectively seek to innovate & discover synergies to maximize opportunities for all its stakeholders.
- Courses are offered across the entire spectrum of skill-sets such as medicine, dentistry, engineering & technology, management, hospitality & hotel management, humanities & social sciences, pharmacy, physiotherapy, law & education besides an international senior secondary school.
- Short-medium term regular courses, training programs & courses under distance-learning are also offered to target the skills-development of working professionals and practitioners.
- Innovative, synergistic, integrated and inter-disciplinary courses are offered such as MBA-BTech, MBA-BHM, Hospital Management, Mechatronics etc.
- Doctoral programs & M Phil programs are offered to qualitatively enhance the research skills in the society.
- Nation building through the development of human resource is the ultimate objective of MMUT.

MAHARISHI MARKANDESHWAR UNIVERSITY TRUST PIONEERING EFFORTS

- First Self-financing Engineering College in Haryana.
- First Self-financing Medical College in Haryana.
- First Self-financing Deemed University in Haryana.
- First Self-financing College of Hotel Management & Catering Technology in Haryana.

Activity Milestone

- 1993** Establishment of MM Education Trust, Ambala (Now known as MM University Trust)
- 1995** Establishment of MM Engineering College (for B.Tech)
- 1999** Establishment of MM Institute of Computer Technology & Business Management (for MCA)
- Establishment of MM General Hospital (MMGH)
- 2000** Establishment of MM College of Dental Sciences & Research (for BDS)
- 2001** Establishment of MM Institute of Physiotherapy & Rehabilitation (for BPT)
- 2002** Establishment of MM Institute of Computer Technology & Business Management (Hotel Management) (for BHM&CT)
- Establishment of MM Institute of Hotel Management & Catering Technology (for DHM)
- 2003** Establishment of MM Institute of Medical Sciences & Research (for MBBS)
- Establishment of MM Institute of Management (for MBA)
- Introduction of M.Tech programme in MMEC
- 2004** Establishment of MM College of Nursing (for B.Sc Nursing)
- Establishment of MM School of General Nursing & Midwifery (for GNM)
- 2005** Establishment of MM College of Pharmacy (for B.Pharm)
- Establishment of MM College of Pharmacy (for D.Pharm)
- 2006** Introduction of MDS programme in nine specialties in MMCD&R

- Establishment of MM Institute of Nursing (B.Sc Nursing- for girls only)
 Establishment of MM College of Education (for B.Ed)
 Accreditation of the MM Engineering College for B.Tech by National Board of Accreditation (NBA) of AICTE
- 2007** Establishment of MM University under Section 3 of the UGC Act, 1956
 Establishment of MM International School with CBSE affiliation
 Introduction of MPT programme in five specialties in MMIP&R
 Introduction of research programmes for the award of Ph.D degrees in various disciplines
 Introduction of Master's degree courses in Applied Sciences and Humanities
 MOUs signed for Academic collaborations with different overseas Universities
- 2008** Cambridge affiliation for MM International School
 Recognition of MM Institute of Distance Education by Distance Education Council
 Recognition of Department of Law - MMU for LLB 3-yr and BA-LLB 5-yr courses by Bar Council of India
 Integrated Courses introduced in Engineering & Technology, Computer Application & Management
 Diploma Courses of Dental Mechanics & Dental Hygienists introduced in MMCD&R
- Accreditation of the MM Institute of Management for MBA Programme by National Board of Accreditation (NBA) of AICTE
 Introduction of M.Ed course in MM College of Education
 Introduction of M.Pharm course introduced in four specialties in MMCP
 Introduction of M.Sc Nursing Course in five specialties and Post Basic B.Sc Courses in Nursing in MMCN
- 2009** Introduction of PG Courses of MD/MS/PG Diploma in different specialties in MMIMS&R
 Introduction of regular M.Phil Program in various Disciplines
 Introduction of Post Basic Diploma Courses in five specialties of Nursing
- 2010** Establishment of MM University at Solan in Himachal Pradesh
 Establishment of MM University at Sadopur - Ambala
 Establishment of MM Group of Institutions at Rambha - Karnal
- 2011** Accreditation of MM University, Mullana by ASIC, U.K
 Membership of International Association of Universities for MM University, Mullana
 Membership of Association of Commonwealth Universities (U.K) for MM University, Mullana

I believe that one can only grow by sharing and giving. I've always believed in strong principles and value-based policies. These have served my organizations well. Today I take pride in my students, faculty members and staff who are contributing to nation building and are also making us proud internationally. I will continue to ensure that we excel even further in future and will strive to make every single MM Graduate a world-class professional.

Shri Tarsem Garg, Founder & President: MM University Trust

The Founder - MM University Trust

- In the late 80s Shri Tarsem Garg discovered that several deserving candidates from various underdeveloped regions of north India were not getting access to quality technical education. Having come from a very humble background himself, he had developed a very strong urge to do something for the children belonging to the rural hinterland and small towns of this region. In 1993 he, with unstinted support & encouragement from his family and friends, established the Maharishi Markandeshwar Education Trust (now rechristened as Maharishi Markandeshwar University Trust).
- Shri Tarsem Garg, the founder of the Maharishi Markandeshwar University Trust (MMUT), envisioned 17 years ago the beginning of a new era of education by focusing on academic institutions that could transform people into nationally productive human resource.
- The MM Group of Institutions, one of the nation's most reputed educational group, have a distinctive mission to grow, transform and educate.
- When the MM Trust was established, quality education was a distant dream among educational institutions in North India, specifically Haryana.
- Under the dynamic leadership of Shri Tarsem Garg, the MM Group has scaled its infrastructure, broadened its horizons and throughout maintained its culture of excellence, social service and inclusiveness.
- An Honorary Doctorate from the Central America, Shri Tarsem Garg through his 3 Universities at Mullana, Sadopur-Ambala & Solan (Himachal Pradesh) and other independent institutions such as the MM International School, MM Education College & MMGI, Karnal; today endeavors to address the educational needs of students not only from India, but from other countries as well.
- Shri Garg is a prominent philanthropist with a profound sense of national & social responsibility. He has immensely contributed to the society through various initiatives not only in education but also in healthcare, charity and employment generation.

- 
- MM University at Mullana is the oldest & the flagship campus of the MM University Trust. It also houses Group Head Quarters. MMU, Mullana is situated in the country-side surrounded by lush green fields. The world-class sprawling 75 hectare university campus houses the region's only university and multi-specialty hospital with OPD & emergency services.
 - Mullana is also home to the highly sought-after MM International School and the reputed MM Education College.

Maharishi Markandeshwar University, Mullana Campus

- This is the renowned flagship campus of the MM University Trust established 17 years ago and hosts 15 institutions of excellence.
- The institutions at the MM Group-Mullana Campus Comprise the following:
 1. MM Engineering College
 2. MM Institute of Computer Technology & Business Management (MCA)
 3. MM College of Dental Sciences & Research
 4. MM Institute of Physiotherapy & Rehabilitation
 5. MM Institute of Computer Technology & Business Management (Hotel Management)
 6. MM Institute of Medical Sciences & Research
 7. MM Institute of Management
 8. MM College of Nursing
 9. MM College of Pharmacy
 10. MM Institute of Nursing
 11. MM Institute of Distance Education
 12. Department of Law
 13. MM International School
 14. MM College of Education
 15. MM School of General Nursing and Mid-wifery

The Vice Chancellor - MM University, Mullana

- Awarded B.R. Vacher oration Award.

Dr. S.G. Damle
Vice Chancellor, MMU (Mullana)
Ph.D, MDS, FNAMS

This modern state-of-the-art campus has emerged as a leading university in the region catering to students and researchers of science, engineering, IT and management. The serene, cool, hilly campus surrounded by Pine Forests is a perfect setting for the serious researcher and offers a great learning environment.

Maharishi Markandeshwar University, Solan Campus

- The foundation stone of the University was laid by the Hon'ble Chief Minister of Himachal Pradesh Shri Prem Kumar Dhumal Ji on 22 February 2009.
- Solan, a hill station also called mini-Shimla located on the Chandigarh-Shimla highway, is the fastest growing city in Himachal Pradesh.
- Solan is also known as the “Mushroom city of India” because of the vast mushroom farming in the area.
- The scenic Solan Railway Station also hosts the famous Kalka-Shimla Toy Train which is on the UNESCO World Heritage List.
- The 250 bighas campus is in a location with a rare combination of nature and commercial activity. Nested in the scenic Shivalik range, the University is near the major industrial belts of Himachal Pradesh such as Baddi (50Kms) and Parwanoo (25Kms).
- Given its spectacularly scenic, serene, peaceful and healthy environment, this campus will become a major centre of learning for researchers & students in the years to come.
- Operational with effect from the academic session 2010-11 with the admissions to:
 - School of Engineering & Technology
 - School of Computer Technology
 - School of Business Management
- More Institutes of Medical Sciences, Dental Sciences, Nursing, Hotel Management, Pharmacy, Fashion Design, etc. to come up in the coming sessions.
- Work on a School of Medical Sciences is underway with the establishment of a 300-bed multi-specialty hospital which will eventually be scaled upto 500 beds.
