- Organized a technical visit of final year B.E. students at Jaikwadi Project 2000-01
- Organized a technical visit of final year B.E. students at Isapur Dam 2002
- Organized a technical visit of final year B.E. students for 12 days for Chennai, Pondicherry, and auroville city. 2004 (A very well praised tour by authorities)
- Organized a technical visit of final year B.E. students at Empress City and Best-Tech construction site of Five Star Hotel at Nagpur 2008-09
- Organized survey camp for third year B.E. and carried out survey for 20 KM long

District road.

- Various other activities like debate, technical quiz, aptitude test etc. for B.E. Students.

Professional competence as Geotechnical Engineer

- Ground investigations and design of foundation for various small and medium projects by conduction SPT,DCPT,CPT and open bore examination and laboratory investigations.
- Detected reason of the failure of abutment of a bridge on Nagpur – Nanded state highway and suggested corrective measures.
- Testing of various engineering materials for government departments like PWD, Zillha Parishad, Jeevan Pradhikaran M.S. and many other private organizations.
- Developed competence by conducting PLATE LOAD TEST at various types of strata and thus provided foundation design for some major projects like Abutment and piers of Pusad- Umerkhed state highway, Administrative building of Dairy Technology College, Administrative building of Pusad urban Cooperative bank, Ashram shala, residential school buildings at Pusad,Digras,darwaha, Mahagaon, and Umerkhed.

Associated with various Geotechnical investigation activities in and around Pusad.

As a Training and placement Officer

Obtained Institute accreditation by Cognizant Technology solutions

(The process of Institute accreditation by other organizations is on)

- Served as Training and Placement Officer May 2000 – 02, 2004 – till date.
- Developed a wide network with Corporate H. R. of various MNC's and leading organizations, very useful for organizing campus recruitment programs
- Counseling to eligible candidates before any campus recruitment program for their moral boosting
- Developed question bank of aptitude papers of various organizations
- **Organized various campus recruitment programs for final year and pre final year students.**

Please refer annexure IV

Training Programs Designed & Conducted

Following training programs are designed and conducted on regular basis for students and found very result oriented

- Group Discussion
- Mock Interview
- Importance of Body Language
- Pre CAT test

- Interview Techniques (Technical and H.R.)
- Technical report writing
- Vedic Mathematics – A 10 days exclusive program very useful for aptitude test of various organizations.

Countries Visited

Keynote speech delivered at "PUSAD ALUMNI REUNION CONFERENCE"
scheduled on 30th June –1st July 2007 at NIAGARA, NY, USA

Major Strengths

- Established a wide network of H.R. Managers/Persons of various Organizations
- Ability to communicate Ideas
- Sincere about duties assigned

Major Weaknesses

- Unable to digest injustice
- Very poor in communicating injustice
- Reluctant to politics based activities

JAYANT H. VERMA
